

# Fish Mercury Project Forum 2007

## A Bridge to the Future

Continuing Efforts to Promote  
Safe Fish Consumption  
in the Sacramento--San Joaquin Delta Watershed

Join the Fish Mercury Project (FMP) for an all-day forum on new developments in public health and fish contamination, and learn how organizations and individuals can take action through research, outreach, and education efforts. The FMP is a pilot project for monitoring, stakeholder involvement, and risk communication related to mercury in fish in the Bay-Delta Watershed.

### *Learn about:*

- New research on fish contamination
- Community-driven educational techniques
- Opportunities for continued research, outreach, and education
- Ways to collaborate and network among organizations and agencies

### *WHEN:*

Wednesday, November 7th  
8:30AM - 4:30PM

### *WHERE:*

Sierra Health Foundation  
Conference Center  
1321 Garden Highway  
Sacramento, CA

Celebrate our accomplishments at the Fish Mercury Project Reception, 4:30 to 6PM!

FMP partners include the San Francisco Estuary Institute, UC Davis, the California Department of Fish and Game, the California Department of Public Health, and the California Office of Environmental Health Hazard Assessment.
